I recommend one of the books that can promote shifting from negative thinking to lofty thoughts – **Haiku Poems About I Am**, even if the reader doesn't fully understand the concepts expressed

in these beautiful haiku. Still, their unconscious mind does. The healing process is greatly aided by the elevated mind. The link to this book on Amazon is: [Haiku Poems About I Am](#)

Now available on Amazon is my other book – **Haiku Poems About I Am**. In general, I enjoy reading haiku poetry. I also have great admiration for well-known, established haiku writers from the past. My benevolent spirit from the spiritual plane dictated this specific book to me. As a medium, I typed haiku poems using the Windows Notepad program rather than the conventional pen. I also did some work on the editing.
