

The Tree of Life (The Attributes of the Creator)

About Us

Hello, my name is **Anariel**. Welcome to our website. Here you will find a time-tested and practical method that answers life's deepest question for some people: "How to get off all psychotropic medications and address the **roots** of the illness once and for all?"

I recommend one of the books that can promote shifting from negative thinking to lofty thoughts – **Haiku Poems About I Am**, even if the reader doesn't fully understand the concepts expressed

To *be* is to imitate the Creator. The **law** acting behind the case of **imitation** is called differently in different areas of culture, science, religion, knowledge, tradition, etc. Let's list some of the definitions of it: The Law of Congruence, The Law of Equivalence of Form, The Law of Association, The Law of Similarity, The Law of Contagion, The Law of Attraction, The Law of Series (Dr. Paul Kammerer (1880-1926)), Seriality, Similarity, Synchronicity (the Swiss psychologist, Dr. Carl Gustav Jung (1875-1961)), etc., you've got the idea.

Becoming the Creator, by imitating Him, gives a person an option to be in complete control of one's life (including healing mental disorders in oneself and the loved ones, and any other people). **The Tree of Life** is a visual representation of the path of return to the Creator.

*It is fit for a person to be similar to his Maker.

in these beautiful haiku. Still, their unconscious mind does. The healing process is greatly aided by the elevated mind. The link to this book on Amazon is: [Haiku Poems About I Am](#)

It's Truth You're Looking for

You will begin to experience a growing sense of enlightenment while simply absorbing the words

1 – The “I AM”, Crown, Concealed Consciousness

Tell yourself (every second, mentally, consciously, subconsciously): **“I am totally perfect”**. *Perfect* refers to the Creator’s vision of perfection, and not yours. You can also recite at any time: “My God, the **soul** that You have placed in me is **pure**.” **Conceal** your **absolute altruism** from other people. Feel more elevated than the object of the physical world; feel that indescribable spiritual part of you that is above and beyond your familiar physical surroundings. Cultivate a state of **awe** daily (visit our web page [Awestruck](#)).

2 – Wisdom, Illuminating Mind

on our web pages.

What to Do

There is but one way we can overcome the life obstacles and suffering : by “knocking out” egoism, as the Secret Doctrine prescribes.

Put on your mental background: **“I have God’s wisdom.”** Just as the Creator gazes on His creatures with the **wisdom of compassion**, so does one imitate Him by looking to improve the lot of others. Seeing that someone has fallen morally or spiritually, one provides the resources for recovery. One imitates the Creator **by helping others** attain the virtues of both this world and the World to Come. Create an atmosphere of purity and wisdom around. Wisdom grows in Understanding like a child in the womb. Understanding nurtures Wisdom. Silence is a fence to Wisdom.

3 – Understanding, Sanctifying Mind

To increase your understanding/insight about how the world is governed by the wisdom of the Creator, do the following for each of your **sins**: 1. Regret/acknowledge the sin. 2. Pray for atonement. 3. Correct the damage caused by a sin however possible. 4. Act in a way opposite to that of the sin (for example, for the sin of lying, one should speak the truth). 5. Teach others not to sin. 6. Refrain from all other sins. After that, the illumination of understanding infuses your life automatically.

24/7 attach yourself in thought to the **World to Come** (the world of truth, love, and compassion), 24/7 attach yourself to the Creator.

4 – Loving Kindness, Mercy, Mindful of Others

Act toward others with principled **goodness**, even when they are unappreciative and insulting. Have **thoughts** only of goodness and love. **Look** at people pleasantly and kindly. Give charity to the poor (give whatever you can: your time, your talent, compassion, publish your free beautiful artworks, your free books, etc., it’s all forms of **spiritual charity**). **Give** freely to others: a present given with a giving heart, charity given with no conditions attached, **mirror** God’s unconditional giving to the world.

5 – Judgment, Might, Severity, Truth Minded

6 – Beauty, Balance, Mediating Mind

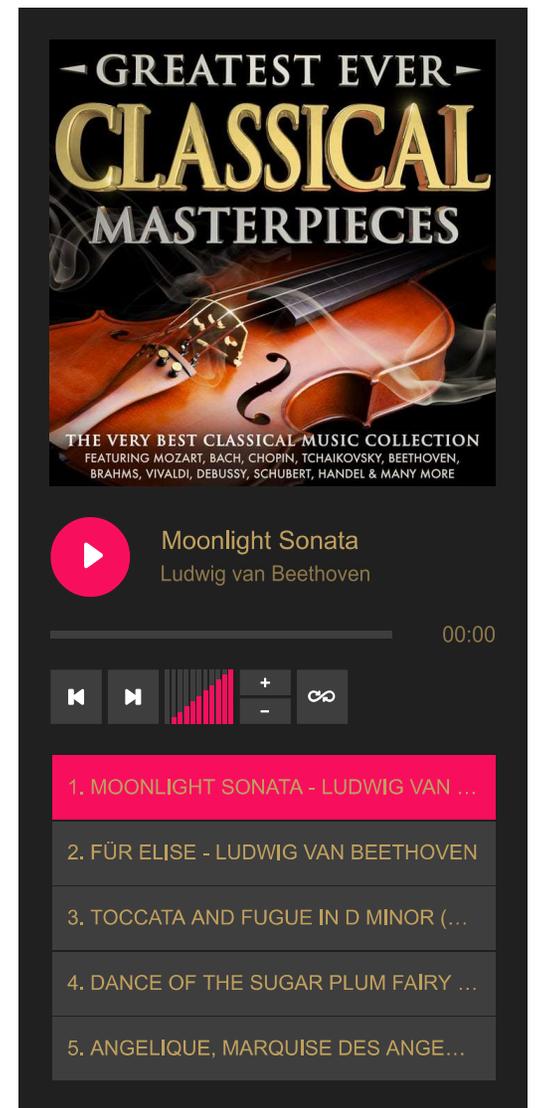

Keep a state of **balance** toward everything (e.g., Severity without Mercy is cruelty. Mercy without Severity is weakness). How much more **beautiful** are those who lead uninflated lives, their actions decent and integrated, their hearts calm, their minds open to God.

7 – Fortitude, Victory, Focused Mind

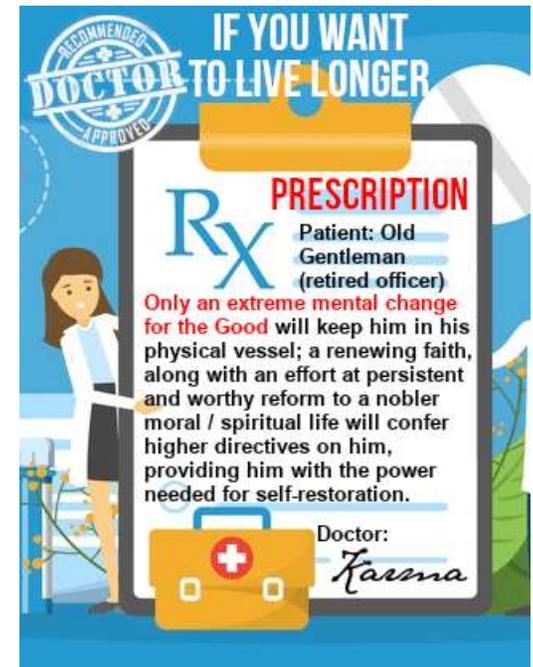

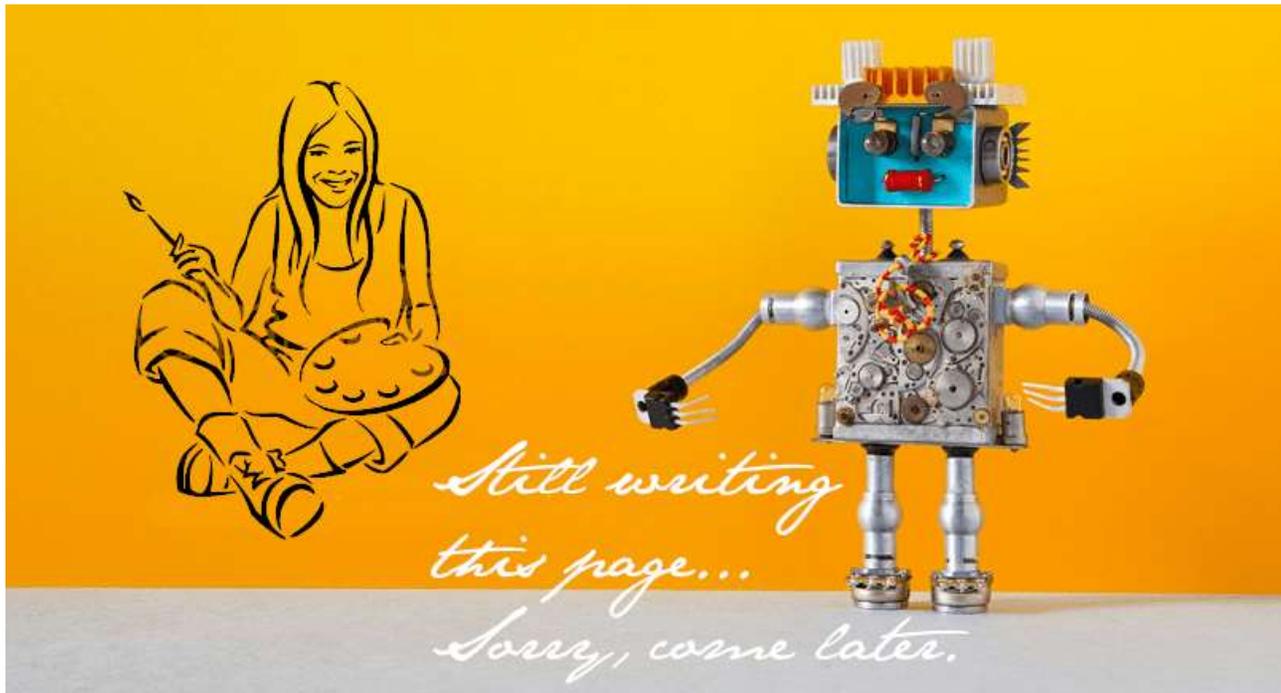

8 – Splendor, Glory, Perfecting Mind

9 – Foundation, Bonding, Purifying Mind

10 – The “I Am”, Kingdom, Oneness Minded
